Passing the 1300 metres, clipped the heels of **Minaloushe Venture**, which had shifted out away from the heels of **King Of Tara**, and stumbled badly, with jockey Boutanive being dislodged. **Newsman** and **Jullidar**, which were following, were taken outwards to avoid the fallen rider. Leaving the 1000 metres, the riderless horse improved into a tight gap on the inside of **It Doesn't Matter**, resulting in the latter being carried outwards, which in turn carried **Newsman** wider on the track. GENERAL

On inquiry, it was established that approaching the 1300 metre mark, jockey Bheekary (**Silver Heritage**) shifted in marginally with **It Doesn't Matter** racing tight onto **Bouclette Top** which then raced in restricted room between **It Doesn't Matter** and **Minaloushe Venture** (jockey Bussunt) for a number of strides, jockey Bheekary then angled his mount outwards to relieve the pressure immediately. Thereafter, **King Of Tara** (jockey Joorawon) who had been urged forward to take the lead, secured a position on the rail and when being settled, slowed the pace marginally with both **Minaloushe Venture** and **Bouclette Top**, which had been urged forward from the start, commencing to overrace. **Minaloushe Venture** when being settled, threw its head and raced ungenerously, shifting ground outwards marginally. Jockey Boutanive then steadied **Bouclette Top** which was awkwardly placed closed to the heels of **Minaloushe Venture** with **Bouclette Top** getting its head up shifting inwards marginally and clipping the heels of **Minaloushe Venture**, stumbling badly and dislogging jockey Boutanive. The Stewards, after considering evidence presented by the respective jockeys and viewing the video replays of the incident, could not apportion blame to any one rider, decided to not proceed further other than to report this as a racing incident.

Evidence was taken from both riders and trainers. It was established that from leaving the 200 metres, **Moschino** commenced to shift ground inwards when improving on the outside of **Texas Sky**, with both horses making contact near the 100 metres, with jockey Joorawon then straightening his mount and **Moschino** quickening away from **Texas Sky** over the concluding stages. The Stewards, taking into consideration the degree of interference, the beaten margin and the fact that jockey Aucharuz had never stopped riding his mount, dismissed the objection and the correct weight was declared on the Judges semaphored numbers.

RACE 6 - THE LEOVILLE L'HOMME CUP – 1400M

Ehsaan – When questioned regarding its poor showing, jockey Joorawon explained that he was instructed to urge his mount forward and race closer to the pace, and stay in a one-off position, as **Trippi's Express**, who in his opinion was the horse to beat, would probably be leading or race close to the leader. As such, the plan was to make it work to get to the lead. Jockey Joorawon further explained that after jumping only fairly, he had to use his mount to ride per instructions, with it over-racing in the early stages. GENERAL

a) On inquiry, trainer Sewdyl explained that at its last start, **Mr Mogambo** was urged forward to race close to the pace, raced fiercely throughout and failed to quicken. As such, for Saturday's race, he informed the Stewards that from its wide draw he was not going to insist for the lead and would rather settle the gelding where comfortable in order for it to relax during the race and hopefully quicken as it did in its second last start over 990 metres. Jockey Aucharuz confirmed these instructions and explained that after jumping well he had to ease his mount in view to secure a position on the rail in mid field where **Mr Mogambo** relaxed. He further explained that due to the fast pace in the race, he found himself racing further back from the lead than expected. He also said that at this point in time he did not panic as, according to him, with that strong pace he was expecting the leaders to fade over the concluding stages. He further stated that leaving the 450 metres he improved his position behind **Grey Again** and seeing that the latter was inclined to shift ground outwards, he thought about improving on its inside, however jockey Juglall corrected his mount with **Grey Again** shifting back in towards the rail, he then angled his mount outwards to improve around horses with **Mr Mogambo** quickening well to finish 3rd. In his opinion, had he insisted in the early stages to race closer to the lead, it would have been detrimental to this gelding's performance. Trainer Sewdyl concurred and added that the gelding had raced well from coming off the pace and that in future it would be ridden similarly. After consideration, the Stewards decided not to proceed further other than to advise jockey Aucharuz that his ride had come under notice and that in future he is to show better judgement when riding in races.

b) On inquiry, it was established that after being slow to begin, **Double Gratitude**, which was jumping from draw 7, was angled inwards and urged forward on the inside of **Delusional**, which had jumped from draw 6. Leaving the 1300 metres jockey Kalychurun (**Delusional**) angled his mount inwards in order to secure a run on the rail with **Double Gratitude**, which was improving on its inside, becoming inconvenienced and having to be steadied. The Stewards, after consideration, decided not to proceed further other than to reprimand jockey Bussunt (**Double Gratitude**) for shifting in abruptly and attempting to take a run which was not his on the inside of **Delusional**. Jockey Kalychurun was also reprimanded and advised to take more care when shifting ground in future.

Result: 1st: **Double Games**, 2nd: **Manolete**, 3rd: **Mr Mogambo**, 4th: **Grey Again**
